We are delighted to present to you our new 2011/2012 Wedding Collection. There are 29 designs to choose from and many have added options to change ink colours and card colours to suit your own special requirements.

All cards in our Wedding Collection are designed and printed inhouse in order to give you our best quality at excellent value.

It normally takes two weeks to design and print your wedding stationery and we will ask you for a 25% deposit at ordering time.

You can download our Wedding Collection brochure from our website www.jaycee.ie or please call us and we can send a Free Brochure to you in the post. We can also send samples at your request but there is a charge of one euro per sample requested.
